1. This petition was filed by the former administrator, Walid Tareb, prior to his resignation and appointment of Maler Attareb, another son of the decedent, as Successor Administrator on 2/9/16 pursuant to ex parte petition and order.

Examiner Notes previously noted that although the estate was requested to be closed as insolvent, the property was not yet foreclosed, and as such was still considered "property on hand." Additionally, several of the heirs were mailed notice at the property.

Examiner Notes also noted that Allowance or Rejection of the Creditor's Claim filed 5/27/14 by the California State Board of Equalization (BOE) had not been filed.

Upon review for this continued hearing, it appears that an Allowance or Rejection of the BOE claim still has not been filed, and the Notice of Hearing filed 1/7/16 for this hearing on 4/5/16 still indicates that mailing to several heirs at the foreclosed address.

At this time, need verified written status update regarding the real property asset of the estate, including whether amended petition by newly appointed the Successor Administrator may be appropriate. Also, the Court may require confirmation that all heirs have received proper notice of this hearing, given the mailing to the foreclosed address.

2. Need Allowance or Rejection of Creditor's Claim for the BOE Claim filed 5/27/14 pursuant to Probate Code §9250, with service on the BOE. If rejected, the creditor has 90 days to act. Note: Notice of Hearing was served on the BOE for this hearing; however, notice of allowance or rejection is still required.
3. The proposed order reflects that any other property not now known or discovered shall be distributed 82% to the BOE and 18% to the CA Franchise Tax Board (FTB) until their respective claims are paid. This implies that both claims were allowed and have not been paid.

However, Petitioner filed a Notice of Rejection of the FTB claim on 12/16/15, and on 2/1/16 and again on 2/16/16, the FTB filed withdrawals of its claim, indicating that the claim has been satisfied. Therefore, the proposed proportional distribution is inappropriate, since the claim has been both rejected and apparently satisfied.

It appears that the only claim remaining to be addressed in the Order is that of the BOE in the amount of \$6,067.41. In addition to the Allowance or Rejection, if the claim is allowed, a revised order is needed to reflect payment of only this claim.

4. If the FTB claim was paid, but the BOE claim was not, the Court may require clarification with reference to Probate Code §11420 (priority of debts).
